NEWS FROM YOUR PRESIDENT

November, when the leaves are down and the deer are running. We all know that Thanksgiving is right around the corner and we want to offer you a non turkey taste and mind enlarging treat. This will be on Tuesday, November 13 (a week early) at the Brewery in Jackson. For the mind we have Mr. Phil Hughes of Materials Management Group to talk about "Outsourcing Management of "C" Materials" This should be of interest to all as the "C"s are our pain in the necks and outsourcing them would allow all of us to do our jobs better. For the taste, the Brewery is going to do a fabulous job with Roast Beef or Baked Cod, so get your reservation in and get some help with the dog items.

NAPM, soon to change our name to the Institute for Supply Management, is offering huge savings for us members. The Supply Management 360 Degree Conference, held in Phoenix Arizona on November 28-30, is offering a complementary registration for each complete conference registration. We are also offering a \$100 reduction to every seminar and conference from now until December 31, 2001. Call Customer Service @ 800-888-6276 if you would like more information.

We should also be aware of NAPM's Employment Service. If you are looking to hire or looking for work, feel free to contact them @ 810-225-6239.

A final note for employers to start thinking about hiring a summer intern. A lot of students will know where they are interning in January, so it is not too early to inquire about this. You get a good mind, a lot of help and probably some good ideas for the summer. The student is willing to learn and to help and the employer gets a break on some of their workload. Check out MSU and CMU to see if there are willing candidates.

Check out this edition of the quote for future endeavors of your Central Michigan Chapter of NAPM.

Hoagland Scholarship applications are now available.
