2010

The mission of NAPM Central Michigan, Inc. is to serve the needs of its members and the profession by providing quality learning opportunities through educational forums, career broadening and mentoring experiences. Additionally, it is our mission to promote increased recognition of NAPM and the growth opportunities offered by the organization.

### PRESIDENT'S UPDATE SEPTEMBER 2010

September is the start of the PDM series and Adam has put together an exciting program schedule for the 2010-2011 season. We start out September with a tour of Full Spectrum Solutions Inc., a manufacturer of a healthy lighting design for the work, educational and home environments. I am in hopes that each of you consider this opportunity to learn about healthy lighting systems and at the same time witness their new 70,000 sq ft LEED certified facility. Check out your web page for additional information regarding time, date and location. [www.msu.edu/user/napmcm](http://www.msu.edu/user/napmcm)

We continue to get requests to host a CPSM group study series in the Jackson/Lansing area for the preparation of taking the CPSM exam. I have found that this would involve 3 Saturdays from 9:00 am to 4:00 pm. The cost to participate in the program is approximately \$300 for members. This will provide one with the study material for the 3 modules. There may be an additional fee for expenses incurred in hosting the training. It is important that if you are considering taking the CPSM exam and would want to participate in a group study program that you contact me or any Board member so that we can move forward. At this time it looks like the time frame would be after the first of the year.

Finally I would like to say that it is time to change ones routine and what better way than to step out of your ordinary daily schedule and join us at the PDM. It may make a difference.

Tim
