2011

The mission of NAPM Central Michigan, Inc. is to serve the needs of its members and the profession by providing quality learning opportunities through educational forums, career broadening and mentoring experiences. Additionally, it is our mission to promote increased recognition of NAPM and the growth opportunities offered by the organization.

PRESIDENT'S UPDATE JANUARY 2011

We hope that everyone had a great holiday season and are ready to face the many challenges set for the coming year.

As always your local affiliate is in need of volunteers to serve on the Board and help with other activities throughout the year. We will be looking for at least three new Board members to help guide the affiliate forward. The Board members are installed during the May Professional Development Meeting. We are in hopes that there are a number of members that would be willing to fill these positions. We only have about three months to fill these vacancies so do not hesitate or you may be left out!!

As you know the CPSM training dates are set and listed below. The location is:

Consumers Energy
One Energy Plaza
Room # EP2-110
Jackson, MI 49201

Training dates
Saturday January 29th
Saturday February 12th
Saturday February 26th

Times 9AM – 4PM

There is still time to register. We have approximately 14 members participating in the training. We can take applications up until January 27th. If interested call Brian Rohrkemper at 586.899.2198 by email at brohrkemper@bcbsm.com, or Tim Pinter 517.372.9121 x104 or email at tpinter@auroraspcmh.com.

We will report to the membership next month the results of the Hoagland scholarship Award.

Finally, the Central Michigan Purchasing Conference dates have been set. The conference will start with a social gathering and dinner on Tuesday October 18th and the conference will start first thing Wednesday morning on the 19th.

The location is the Kellogg Hotel and Conference Center on the campus of Michigan State University.

The topics are:

1. Supplier Performance, Evaluation and Feedback
2. Capacity Assessment and Lead time Reduction
3. Defining Bid Specifications

Additional information on the topics, speakers and cost will be presented in the coming months. I hope that you mark your calendars and plan early to register.

The membership renewal dues have been pouring in. There are still a few members that have not replied. Since we must finalize the membership roster in early February those of you who have not replied will be getting a call from a Board member as a reminder.

Tim
